*Re: Doe v. Alexander et al 1:25-cv-02241-RA*

Dear Judge Abrams,

In response to your July 8, 2025 Order (ECF 41), Plaintiff writes to confirm that nothing in the letter motion for extension of time to serve (ECF 39) requires redaction. The only related portions of the filing that reveal John Doe's identity (and which his counsel has asked remain redacted pending a motion to proceed under a pseudonym) are the sections already redacted in the filed certificate of service attached as an exhibit to counsel's declaration (40-1). The information redacted is John Doe's name, his home address, and the name of the person who received service in his household.

Sincerely,  
Lili Timmermann

Respectfully submitted,

/s/ Lilian M. Timmermann
